

Good evening,

I am working alongside the City of Lake Geneva on the roadway improvement project on Cook Street and Wrigley Drive. Originally the contractor had projected their start date as April 14th, 2023 but, they had a change of schedule and now plan to start construction on April 3rd, 2023.

The contractor plans to close both Cook Street and Wrigley Drive during construction. No parking will be allowed on either Cook Street or Wrigley Drive during this time. Access for deliveries, garbage pickup, and essential vehicles will be maintained throughout the project.

If you have any questions or concerns, please reach out to me at this email address or anytime on my cell at 715-401-1445.

Thank you,
Tyler Michlig
